A good school is one where you DO more... SMILE often DREAM big.... LAUGH a lot... and realise how blessed you are for what you have. It's the desire of the SAGAR INTERNATIONAL SCHOOL.

One child one teacher one pen and one book can change the world. A child is not a vase to be filled but a fire to be lit. This thought provoked our president **Mr. RAMASAMY**, Director - Sri Devi group of companies, to further induce his trust members to aid the functioning of Sagar.

“கல்வி என்பது
வாழ்வாதாரத்திற்காக
மட்டுமின்றி கலாச்சாரம்,
பண்பாடு மாறாத
வாழ்க்கை தரத்திற்காகவும்

Gowthami Medicine @ Karnataka University

"I am going to grow -with Sagar like this plant" has come true in my tenure. Sagar provides a good blend of education and etiquette, a judicious mix of knowledge and culture. I owe my first step of success to this prestigious institution for without their support to crack NEET. I wouldn't have secured this position of mine.

Sri Rahul - IIITDM

I started my journey with Sagar from my 5th grade, since then it is my second family. My school didn't teach only from books but also taught us what life is. Equal importance was given for sports. My hostel was my home, it was a different experience. I hereby thank my institution which developed my standard in life by raising me to enter IIITDM. Their motivation and support to crack JEE MAINS was immense.

Rahul Vivaz - IISER

I want to become a researcher but didn't have an idea of how to achieve it. My school showed the path towards IISER one of the best central government colleges for research. The coaching provided by Sagar for my competitive examinations was a great effort and that's how I cleared JEE advanced. I am proud to say my ambition was achieved by the fostering management and teachers.
