எண்ணற்ற வாய்ப்புகளோடு கடுமையான போட்டிகள் நிறைந்த இந்நாளில் இயற்கையிலேயே அறிவாற்றலோடு திகழும் நம் குழந்தைகளுக்கு நமது கலாச்சாரம், பண்பாடு மாறாமல் ஆன்மீகத்துடன் இணைந்து கல்வியைக் கொடுப்பதே சாகரின் நோக்கமாகும். 6 ஆம் வகுப்பு முதல் சாகர் சூப்பர்-30 வகுப்புகள் தொடங்கப்பட்டு நீட், ஜ.ஜ.டி போன்ற போட்டித் தேர்வுகளுக்கு மாணவர்களைத் தயார் செய்வதோடு படிப்பை சுமையாக இல்லாமல் சுகமாக கொடுப்பதே நமது தனிச்சிறப்பு. ஆரோக்கிய உணவு, அமைதியான சூழல், முழுமையான பாதுகாப்பு, காலை-மாலை விளையாட்டு, புத்தகம் தாண்டிய எண்ணற்ற சிறப்பு பயிற்சிகள் காலை முதல் இரவு வரை ஆசிரியர்களின் சிறப்பு கவனம் இவை அனைத்தும் கிடைக்கப்பெற்று எதிர்காலத்தில் மாமனிதர்களாக உருவாக வழிகாட்டப்படுகிறது. நன்கு பயிலும் மாணவர்களுக்கு 10 மற்றும் 12ஆம் வகுப்பு பொதுத் தேர்வு மதிப்பெண் அடிப்படையில் ஊக்கத்தொகை வகுக்கப்படுகிறது. சாகர் அகாடமி மூலம் உதவித்தொகை கொடுத்து நல்மருத்துவர்கள் உருவாக வழி வகுக்கப்படுகிறது.

அயராது உழைத்து வரும் ஆசிரியப் பெருமக்கள், பள்ளியின் நடைமுறைகளை புரிந்துகொண்டு ஒத்துழைப்பு கொடுக்கும் பெற்றோர்கள், எண்ணற்ற சாதனைகளைப் புரிந்து வரும் மாணவச் செல்வங்கள் அனைவருக்கும் என் நெஞ்சார்ந்த நன்றிகள்.

*"Dedicated & expert faculty, safe & supportive learning ambience and visionary leadership are pillars of education for overall development of students"*

Sagar is a culmination of these values and provides quality education that helps students grow into dedicated professional and a great human being. Our early education programmes aim at unleashing their creative and critical thinking skills. Primary & Middle school help students acquire knowledge through meaningful activities. Secondary and Senior Secondary classes, guided by expert faculty, support students in discovering their strengths, choosing the right career path and evolving into confident & compassionate individuals.

*"Education is not merely the transfer of information—it is the awakening of curiosity, character, and limitless possibilities."*

At our school, learning is a transformative journey where students are encouraged to question, create, and explore. We provide a strong academic foundation integrated with competitive exam coaching, guiding students step by step towards their goals.

We are equally committed to nurture emotional well-being and character, fostering a culture of care, respect, and perseverance.

We value our partnership with parents and believe that together, we can offer every child the holistic support needed to grow into confident learners, responsible citizens, and future leaders.

## ECHOES OF FORMER SAGARITES

I am proud to share that Sagar International School played a truly meaningful role in shaping my journey as an architect, especially in helping me transition into college life smoothly. I began identifying and developing the essential qualities of an architect i.e communication, critical thinking, and clarity of expression step by step during my time at school. I encourage all of you to engage with your teachers and the facilities available, explore your interests, recognize your strengths, and nurture them with the guidance available on campus.

**VIBIN ANNADURAI**  
Advocate, Coimbatore

Today, I am practising as an advocate at the High Court of Judicature at Madras and at the Coimbatore District Court. My decision to enter the field of law stemmed from a deep conviction that law is a powerful instrument that protects individuals, ensures justice, and strengthens our nation. Just as the five natural elements—earth, water, fire, air, and space—are essential for sustaining life, law is essential for sustaining society. Without law, there can be no order, progress, or harmony. I encourage every student to cultivate basic legal awareness. Understanding the law not only shapes you into a responsible citizen but also empowers you to stand up for what is right and fair.

Among the most important people in my school life are the teachers. Each teacher has played a unique role in shaping my personality and they are all great human beings. Whatever success I achieve in the future will always have the blessing and contribution of my teachers. I love and respect my teachers deeply, they have not only taught me subjects but also kindness, discipline, patience, perseverance and love. "I feel proud and blessed to say that I am a student of such wonderful teachers. I have played for 1st division in Tamil Nadu for Indian Comments and part of Jenson Chennai Super Kings Teams for five years. At present, I'm playing for Atlanta Lightning county club in USA which is like cricket playing Ranji Trophy in India."

The day when I joined Sagar, I was around 14 years old at grade 8. During those days I was really a naughty student of the school, not completing my homework not preparing for the exams and also not being obedient to the teachers. Day by day the grade level increased and the seriousness of the life and thought of my future ambitions also increased. During my college 1st year I slowly went into my family business, I really wanted to take my business ahead comparing to other competitors, as mine is a hospitality business, the customer satisfaction is much needed and after my college I got married in 2020 November and I did a short term course in hotel management at IIM. I wanted to start a luxury hotel in my hometown, Perundurai. I made R&D for three years and now my project is under construction.
