

ANNUAL REPORT

1. The school reopened for the Academic year 2020-21 virtually after the SMC's decision to offer online schooling, on 3rd June 2020.
2. A separate portal was designed for the online teaching-learning and the teachers were trained to handle classes virtually through it. The students were spoken to of the importance of online classes and were trained to access the app / portal for effective learning purpose. The parents were given an orientation on how to handle the portal and support their wards.
3. With the board's prescribed duration of hours, virtual classes were conducted. There was a smooth conduction of the curricular activities. Various virtual competitions like public speaking, drawing, singing, poster making, essay writing, quiz, floral arrangement, culinary art etc. were conducted.
4. All the national festivals and religious festivals were celebrated virtually. "Baala Utsav" was celebrated from 9th Nov 2020 to 12th Nov 2020 as a part of children's day celebration. Apart from the competition and celebrations, several webinars and virtual training sessions were conducted throughout the academic year.
5. To equip the teachers to make online classes effective, many trainings & webinars were organized apart from the board's training and webinars.
6. To throw light on environmental education, world environment day was celebrated on 5th June 2020. As a part of it, art and essay competitions were conducted virtually.

7. Wild life week was observed from 27-09-2020 to 03-10-2020. Collage making, poster making and quiz competitions were conducted virtually to commemorate the week.
8. To promote physical and mental health, Fit India week was observed and children were sent certificates. Kumari Dakshitha of grade IX took part in the District level Kho-Kho tournament and won the 3rd place.
9. To commemorate one year's online activities, an e-magazine comprising of all activities of school was released on 26th Jan 2021.
10. Our students enthusiastically participated in the India Toy Fair.
11. Master Mounish of grade IX was selected to interact with the Honorable Prime Minister, through Pariksha Pe Charcha.
12. Assessments were conducted as per the plan. Virtual Parent-Teacher meetings were conducted to discuss the progress of the child and also to render maximum support to the parent as well as the learner.
